**URGENT NOTICE**

**Attention:**

Pursuant to the landmark decision rendered by the United States Supreme Court in *Janus v. AFSCME* (2018), this correspondence serves to inform you that the check below symbolizes the average sum an eligible government employee may add to their annual salary. In order to seize this financially beneficial opportunity, we kindly request you to complete the enclosed form and return it via the pre-addressed, postage-paid envelope provided herein.

This opportunity may be time sensitive for some union members due to potential “window period” language included on your union’s membership card, collective bargaining agreement, or in state law.

**To expedite this process, we offer multiple avenues for assistance. You may engage with a customer service representative by either:**

1. Sending an email to [info@OptOutToday.com](mailto:info@OptOutToday.com)
2. Visiting our website at [OptOutToday.com](http://OptOutToday.com)
3. Contacting us telephonically at (833) 228-4969

Should you require further clarification or immediate action, we strongly recommend employing one of the aforementioned channels of communication.

**AFT Connecticut President,**

Effective immediately, I resign any membership I may have in all levels of the American Federation of Teachers, including American Federation of Teachers Connecticut (AFT CT). Pursuant to the U.S. Supreme Court’s decision in *Janus v. AFSCME*, I further direct you to immediately cease the deduction of all union dues, fees, and political contributions from my wages and to refund any such funds deducted from my wages without my express authorization. Any consent for such deductions I may have previously provided is revoked, effective immediately.

I understand that AFT CT has arranged to be the exclusive bargaining representative for all employees in my bargaining unit and that, in exchange for this privilege, AFT CT must continue to represent me fairly and without discrimination in dealings with my employer and cannot, under any circumstances, deny me any wages, benefits, or protections provided under the collective bargaining agreement with my employer.

I authorize the Freedom Foundation to transmit this notice to AFT CT and/or my employer on my behalf. Please confirm receipt of this notice and inform me when the deductions will cease.

- I am already not paying union dues.
- I am retired, have left this job, or am no longer in a union represented position.
- Send me a copy of any dues deduction authorization — written, electronic, or oral — the union has on file for me.
